

## **WARRANTY INFORMATION**

Whistler Landscaping offers an available lifetime warranty from time of installation on all newly installed trees and shrubs for as long as they are maintained and cared for by Whistler Landscaping. Whistler Landscaping guarantees all plant material to be true to name, free from disease, and healthy at time of installation and will make replacement of any such plants one time with a plant of same size and variety without cost to the client.

### **EXCLUSIONS:**

- Herbaceous perennials, annuals, bulbs, seed and sod.
- Plants in containers or planter boxes.
- Plants that were transplanted from the client's property.
- Specified plants out of their normal growing climate zone or region.
- Losses due to severe weather conditions (frost, fire, flood, etc.), irrigation system failure, over or under watering of plant material, vandalism, theft, mechanical damage (snowplows, etc.), animals, or other factors beyond the control of Whistler Landscaping.
- Flowering shrubs and trees are not guaranteed for flower or fruit production.
- Plants not receiving automatic irrigation.
- Plants not maintained by Whistler Landscaping.

### **SPECIAL TERMS:**

- Since plants leaf out at varying rates claims on deciduous plant material will not be considered until after June 1.
- Replacement of plant material is at the sole discretion of Whistler Landscaping.

**WARRANTY IS VOID IF FULL PAYMENT IS NOT RECEIVED  
WITHIN 30 DAYS OF JOB COMPLETION**
